Founder & Director

Dr. Mithilesh Singh
V.H.T.E.C. NEW DELHI (INDIA)

ABOUT US

VIKRAMSHILA HEALTH AND TECHNICAL EDUCATION COUNCIL (VHTEC) is an autonomous council. That aims to create scholars who are most distinguished among all. The main source of inspiration behind this huge project lies in the ancient VIKRAMSHILA UNIVERSITY, which was a centre of excellence established by the eminent Pala Emperor, Dharmapala in the 8th century CE. DR. MITHILESH PRASAD SINGH, the founder of this council aims to build such a kind of University where students can enhance their skills and experience by taking the best training sessions, to fulfil the mission and vision of his Father Late Shri ADHYA PRASAD SINGH & Mother Smt. PREMLATA DEVI.

It is managed by SRISTI WELFARE FOUNDATION (SWF). It is declared on 23rd day of Oct 2018. Technical education is a great way to learn about many different aspects of business and marketing. Health education has a broad foundation of trainers, administrators, applied academics instructors, local and state supervisors, teacher educators, and others dedicated to educating today's students for tomorrow's Health care community. Vocational education provides an alternative to traditional academic disciplines, allowing students to work in a specific business, a craft, as a technician, or in a professional occupation such as engineering, accounting, nursing, medicine, architecture, or law. Vocational Education and Training (VET) is an employment-oriented technical training course for students and candidates to choose a specific career opportunity. We help them discover an area they are passionate about to succeed in their careers.

Our council provides Teacher training academy, Computer education academy, Vocational education academy, Hardware networking academy, Agriculture education academy, Fashion design and textile academy, Naturopathy and Yoga science, Health and Paramedical Sciences, Biomedical technology academy, Management education academy, Engineering and technology academy, Mass communication and journalism academy, Astrology and Vastu academy, Social science academy Sports and Physical education academy, Handwriting training academy, Security service training academy, Fire and safety training academy, Hotel and Hospitality management academy, Beauty and Wellness academy, Performing arts academy, Industrial project training academy courses. Our faculty is well experienced and nature friendly who always help the students to enhance their skills and knowledge to succeed in their respective fields.

VISION

Our vision is to impart world-class technical and vocational education to contribute to society through excellence in the emerging field of Technical Education. The main objectives of the council are sustainable change through learning and skill development, improving business productivity and enhancing youth employment and entrepreneurship. Our council focused on vocational education training and public welfare research to overcome unemployment. We want to run skill development training, work with other non-governmental councils and training centres so that our council can reach rural and urban areas. To improve access to high-quality tertiary education through education training programs tailored to the needs of the region and the wider national community.

MISSION

Our effort is to develop the knowledge and critical skills necessary to succeed in both professional and personal life by promoting learning supported by world-class facility, infrastructure, technology, curricula and collaborative teaching and research with leading institutes in India and abroad. To promote quality and innovation in the technical education and training sector. To advise and assist in the development and advancement of technical education and vocational training in the state in a financially self-sufficient manner. To assist technical institutions to achieve and maintain the high quality of education and training. Our mission is to empower each section of society through education and to produce socially committed professionals.

V.H.T.E.C. TEACHER TRAINING ACADEMY

In India and all across the world, teaching is not only seen as a professional but also as a passion. Teacher training course run by organization takes guidance from NCERT, New Delhi & Govt. of Social Welfare Board. A teacher needs to understand the important of not only the academic development of students but also the moral and emotions development of the student.
